PAYROLL PAYMENT SOLUTION

## What is GLElite

**A SMARTER, MORE COST-EFFECTIVE AND FLEXIBLE ALTERNATIVE TO THE WAY PAYROLL IS DONE TODAY.**

GLElite pay card is a payroll payment product that would offer an innovative, secure and flexible method of salary reimbursement for companies; it's a unique product that would offer more options to businesses and their employees. GLElite and GLElite Family payroll solutions will streamline and simplify your payroll payment process and cheque disbursement for all classes of employees; temporary and/or contract workers, part time employees, unbanked and/or foreign seasonal personnel and remotely located members of your work force.

## Rewards

GLElite cards can be used to reward employee behaviour whilst increasing company reputation and profitability.

## Incentives For Employees

Milestone & sales performance recognition is sure to increase employee loyalty and motivation with the flexible solution of prepaid pay cards.

## An Alternative To Payroll Cheques

This payroll pay card is similar to a traditional debit card and acts as a bank account for the employee. It's a cost saving, revenue enhancing alternative for employee motivation.

## Top 3 reasons to offer payroll & incentive cards

- 1. COST EFFECTIVE** - Reduce cost & improve efficiency on payroll processes; saving hours of manpower on cheque disbursement.
- 2. GLOBAL OPPORTUNITIES** - With MasterCard® worldwide acceptance, this payroll pay card is ideal for anyone looking for a simple global incentive solution.
- 3. FLEXIBLE SOLUTIONS** - Customize themed incentive programs and create company brand awareness.\*

PRIMARY CARD

FAMILY CARD

### Group of Gold Line

The Group of Gold Line (GL) is a Canadian group of companies specializing in the research, development, marketing and worldwide distribution of telecommunication solutions and technology products through four lines of business: Telephony, Web2Print, WebTV and Business Solutions.

Founded in 1991, GL is today the largest provider of prepaid long distance products and services in North America, selling over 300 million minutes of long distance calling per month. GL is also the world's largest provider of multicultural IPTV programming and operates the world's largest multicultural ad exchange. GL also offers hosting services through its state of the art data centre in its head offices in Markham, Ontario. GL's products are distributed at approximately 100,000 points of sale, by over 1000 resellers (GLAgents) in over 50 countries.

GL's mission is to connect people and bring them closer to their family, business, culture and language through innovative, unique and competitive technology-based products and services.
