2016 Persian Business of the Year

I would like to congratulate Group of Gold Line and its founders, Ata Moeini and Neda Moeini, for being named as the recipients of the 2016 Persian Business of the Year award.

Your company's accomplishments in the technology and telecommunication industry are surely a source of great pride and inspiration to the Persian Canadian community.

The Persian Business Awards are a wonderful way to honour entrepreneurs in the Persian Canadian community and to celebrate their outstanding business achievements and their many contributions to our province. I would like to thank everyone involved in making this annual event possible.

Congratulations to Group of Gold Line for having been selected to receive this prestigious award.
